

2024

Heart of America Summer Workshop

SUPPLY LIST

For Yearbook Students

- Notebook
- Several magazines with LARGE colored photos
- Construction paper in several colors
- Rubber cement or glue sticks
- Rulers, scissors, pencils, and pens
- Small pencil sharpener
- Paper and writing utensils for notes
- Laptop computer (optional)
- USB Flash Drive (1 per school)

For Yearbook Editors and/or Advisers

Same as above plus the following:

- Copy of last year's yearbook (only one per school is needed)
- 2023-24 ladder
- Staff Manual (if your staff has one)
- AP Style book (if you have one)
- Paper and writing utensils for notes

For any students planning on taking Photography Classes

- Digital staff camera
- Charged camera batteries, memory card that is compatible with the camera, computer cable or a card reader for downloading photos to computer, large flash drive to save photos and projects to when class is completed.
- Camera manual. Not all cameras work the same, so a manual is necessary to problem shoot.
- Paper and writing utensils for notes

For additional information, please call John Kelley at 816-805-1622 or your local representative.
